Stick a photo on top of super woman, complete and post it in front of where you work. Stick one on the inside of the toilet door. And on the fridge. Look at it all the time, read it out loud and believe what you are saying.

Hey its \_\_\_\_\_ here and I am a \_\_\_\_\_.

I work with \_\_\_\_\_ by helping them with

My clients pay a premium to work with me simply because no one does it as good as me. Sure you can hire a general Virtual Assistant but are they going to \_\_\_\_\_?

When you let me remove the stress of \_\_\_\_\_ you can concentrate on \_\_\_\_\_.

You have to meet my criteria as a client for I don't accept these deal breakers \_\_\_\_\_

Pro Tip!

THE MORE YOU READ THIS AUTHORITY PROFILE THE EASIER IT WILL BE TO INTRODUCE YOURSELF WITH PIZAZZ WHEN YOU NETWORK AND MEET NEW PEOPLE AND NOT SIMPLY BE "ANOTHER VIRTUAL ASSISTANT".
